

KENT CITY HIGH SCHOOL NEWSLETTER

KCHS Families,

Welcome back to school for the 25–26 school year! I'm excited to begin another 9-month journey with our students, families, and staff. Each school year brings new opportunities to learn, grow, and support one another—and I'm confident this one will be no exception. If you haven't already done so, please be sure to **submit your student's re-enrollment forms through Parent Portal** as soon as possible. Read on for important reminders and highlights as we get started.

- Building Tours (6 - 8 pm)
- Informational Meeting (7 pm)

8/25/25

First Day of School/GRCC

8/29/25

No School - Labor Day Break

Handbook Updates for 25–26

As we begin the year, please take a moment to review a few important handbook updates:

School-Issued Chromebooks Only:

All students are expected to use a **school-issued Chromebook**. Personal devices from home may not be used during the school day.

In-Person Testing for Online Courses:

Students enrolled in online courses—including both **KCHS** and **KCVA**—must complete all assessments **in person** with our online learning classroom staff member.

Course Change Requests:

Requests to change courses must be submitted **within the first two weeks of each semester**. After this window, students will not be allowed to switch from an in-person course to an online one.

These updates are designed to support a consistent, focused learning environment for all students. Please reach out if you have any questions!

Get Involved at KCHS!

Kent City High School offers a variety of ways for students to get involved beyond the classroom—**athletics, band, after-school clubs, and activities like chess or forensics.** Getting connected to school in this way has a huge impact on student success.

If you or your student need help finding the right fit, reach out to **Mr. Stuhan or Mr. Vogel**—we're happy to help!

Cell Phones

To support focused, distraction-free classrooms, **students are expected to keep their phones in their lockers throughout the school day.** Phones may be checked **briefly during passing time** at the locker, but should not be brought to class.

If a student brings a phone to class, **teachers are authorized to collect the device** and turn it into the office. Repeated issues may result in additional consequences.

Let's work together to make our classrooms a space where students stay present, connected, and ready to learn.

School Hours

Our regular school day runs from **7:55 AM to 2:50 PM.**

Doors open at 7:35 AM, and students are encouraged to arrive with enough time to **eat breakfast and prepare for first hour.**

While we will continue to offer a "second chance breakfast" between first and second hour, please note that options will be limited. Students should plan to eat breakfast before the school day begins to ensure they're fueled and ready to learn right from the start.
