## Mission, Vision, Values

The Mission, Vision, and Values posters have been updated as you can see in the image to the left. This month, the focus is on **Culture of Opportunity**. KCHS is dedicated to creating an environment where every student feels a strong sense of belonging and has access to opportunities that help them thrive. We hope that by prioritizing belonging, each student will be supported in achieving their personal and academic goals.

## GREAT Expectations

This month, let's focus on the importance of being **Trustworthy**. Trustworthiness is essential for building strong relationships and a positive school culture. By encouraging students to be honest, dependable, and act with integrity, KCHS helps foster an environment where everyone feels safe and supported. Emphasizing trustworthiness prepares students to develop lasting connections and be reliable individuals in their school and future communities.
