Looking Ahead to 2025–2026: Scheduling in Progress

We are currently hard at work preparing student schedules for the 2025–2026 school year. This includes not only core classes and electives at Kent City High School, but also dual enrollment courses through GRCC and career and technical education programs through KCTC. We're excited to offer a wide range of opportunities that support students' goals and interests.

Some students who applied for KCTC have been placed on a waitlist, and we will keep families informed as we receive updates. Once schedules are finalized and distributed, students and families with questions or concerns are encouraged to reach out to Mr. Wilson for assistance.

Thank you for your patience as we work to ensure a smooth and thoughtful scheduling process for all of our students.
