

KENT CITY HIGH SCHOOL NEWSLETTER

KCHS Families,

We're off to a strong start to the 25–26 school year, and I'm grateful for the energy our students, families, and staff bring each day. With Homecoming now behind us, it feels like the year is truly in full swing. Each school year offers new opportunities to learn, grow, and support one another—and I'm confident this one will be no exception. Read on for important reminders and highlights as we move forward together this fall.

NHS Induction Ceremony (7 pm)

10/27/25

Jostens Visit

Seniors 9:53 am

Freshmen 10:30 am

10/31/25

No KCTC or Launch U

Parent-Teacher Conferences

This year, we're trying a new format for parent-teacher conferences. In the past, we hosted four hours of in-person conferences, but attendance from families was very low. To better connect with parents, we will still hold an **in-person conference on Tuesday, October 15, from 4:00–6:00 p.m.** In addition, teachers will dedicate two hours during the first two weeks of October to making phone calls and sending emails to parents.

We hope this new approach allows for more meaningful communication and makes it easier for families to stay engaged in their student's learning.

Work-Based Learning (WBL) Expands

Last year, we launched our Work-Based Learning (WBL) program under the supervision of Mr. Wilson, and we are excited to see how much it has grown in its second year. This fall, more than **15 juniors and seniors** are participating, gaining valuable real-world experience while continuing their studies at KCHS.

The WBL program helps students explore career pathways, build professional skills, and make connections that will serve them long after graduation. We are proud of the growth of this program and look forward to seeing how it continues to benefit our students.

Varsity eSports – Season Two

KCHS is proud to be entering the second season of our Varsity eSports program! What started last year as a brand-new opportunity has quickly grown into an exciting team activity for our students. eSports gives players the chance to compete at a high level, build teamwork and communication skills, and represent our school in a rapidly growing arena of competition.

We're looking forward to another strong season and can't wait to see how our team continues to grow in both skill and school spirit.

Get Involved at KCHS!

Kent City High School offers a variety of ways for students to get involved beyond the classroom—**athletics, band, after-school clubs, and activities like chess or forensics**. Getting connected to school in this way has a huge impact on student success.

If you or your student need help finding the right fit, reach out to **Mr. Stuhan or Mr. Vogel**—we're happy to help!

Early Dismissal Reminder

If your student needs to leave school early, we kindly ask that you call the office **the morning of the day** they will be leaving. This allows us to prepare a pass in advance and minimizes classroom interruptions when we have to page into a lesson.

Thank you for helping us keep the learning environment focused and running smoothly!
