

# KENT CITY HIGH SCHOOL NEWSLETTER

## KCHS Families,

It's hard to believe we're already heading into October! The first several weeks of school have given our students a chance to settle into routines, build relationships, and get involved in the many opportunities available at KCHS. As we move further into the school year, our focus continues to be on helping every student find success—in the classroom, in their activities, and as a member of our school community. October is always a busy and exciting month, and we appreciate the continued support and partnership of our families. Read on for important information about what's happening at KCHS this month. **Go Eagles!**

Fall Break

**10/22/26**

National Honor Society Induction

**10/23/26**

End of Marking Period 1

**10/30/26**

KCTC Closed

## Health Career Foundations Off to a Great Start at KCHS

One of the exciting additions at KCHS this year is our Health Career Foundations (HCF) program, offered right here in our building through our partnership with the Kent Career Tech Center (KCTC). We're happy to report that the program is off to a great start!

Health Career Foundations gives students an opportunity to explore a variety of careers in healthcare while building foundational knowledge and skills through hands-on, career-focused learning. The program introduces students to pathways such as nursing, allied health, emergency services, and other medical careers.

What makes this opportunity especially valuable for KCHS students is that they can participate in a KCTC program without leaving our campus. KCTC provides the instructor, equipment, and lab resources, allowing students to experience career and technical education as part of their regular day at Kent City.

We are excited about the strong start to the program and proud to continue expanding the career-focused opportunities available to our students. Partnerships like this allow us to bring high-quality experiences directly to KCHS and help students explore what their future might look like beyond high school.

## Get Involved at KCHS!

Kent City High School offers a variety of ways for students to get involved beyond the classroom—**athletics, band, after-school clubs, and activities like chess or forensics**. Getting connected to school in this way has a huge impact on student success.

If you or your student need help finding the right fit, reach out to **Mr. Stuhan or Mr. Vogel**—we're happy to help!

Kent City, MI 49330

(616)-678-4210

## FAFSA Help Available

**Seniors and families:** The FAFSA is now open, and GRCC offers free virtual one-on-one appointments to help families complete it and answer financial aid questions.

## Interested in the Military? ASVAB – November 23

Students in grades 10–12 who are interested in exploring a military career can take the ASVAB at KCHS on November 23 at no cost. The test takes approximately two hours.

Students interested in the military should also contact Mr. Wilson so he can connect them with military recruiters when they visit KCHS.

**To sign up for the ASVAB, contact Mr. Wilson at [jeff.wilson@kentcityschools.org](mailto:jeff.wilson@kentcityschools.org).** Sophomores may participate for practice but must retake the ASVAB as a junior or senior for military entrance.

## Keeping Students Safe: Sexting & Sextortion

Kent ISD and local partners have created short videos to help students and families understand the risks of sexting and sextortion, how students can protect themselves, and what to do if they become a victim.
