Don't worry if you end up completing your Computer/Technology, Art, Health or PE requirements after your freshman year. You will have room in your schedule to do so!

Other items to consider:

- Credit Equivalency - KCTC Enrollment during your junior/senior year can also fulfill....
  - VPAA (Visual Performing Applied Arts) – 1 credit
  - Spanish II requirement or 2<sup>nd</sup> year of a foreign language – 1 credit
  - **If needed:**
    - English 12 - .5 to 1 credit
    - Personal Finance – .5 to 1 credit
    - Science elective – 1 credit
- Technology (1 credit).
  - Computers I, Graphic Design, Web Design, Esports Gaming, Video Graphics, 3D Modeling & Printing
  - Multimedia (Journalism, KC News, Yearbook)
  - Some KCTC programs – Information Tech, Graphic Communications, and 3D Game Design
- It is important to have an idea as to what your goals are for your 4-year schedule.
  - KCTC
  - Dual Enrollment courses, Launch U
  - Work-based Learning Experience – can do as part of KCTC or through KCHS
  - Blend of all three?
- Personal Finance - All students are required to take Personal Finance during either their junior or senior year. If Personal Finance is taken during the junior year, it counts as an elective. If taken in the senior year, it can count for your 4<sup>th</sup> year math requirement.
- PE Credit – Participation in athletics, band and cheer can fulfill this graduation requirement.
